

A Plain text rows

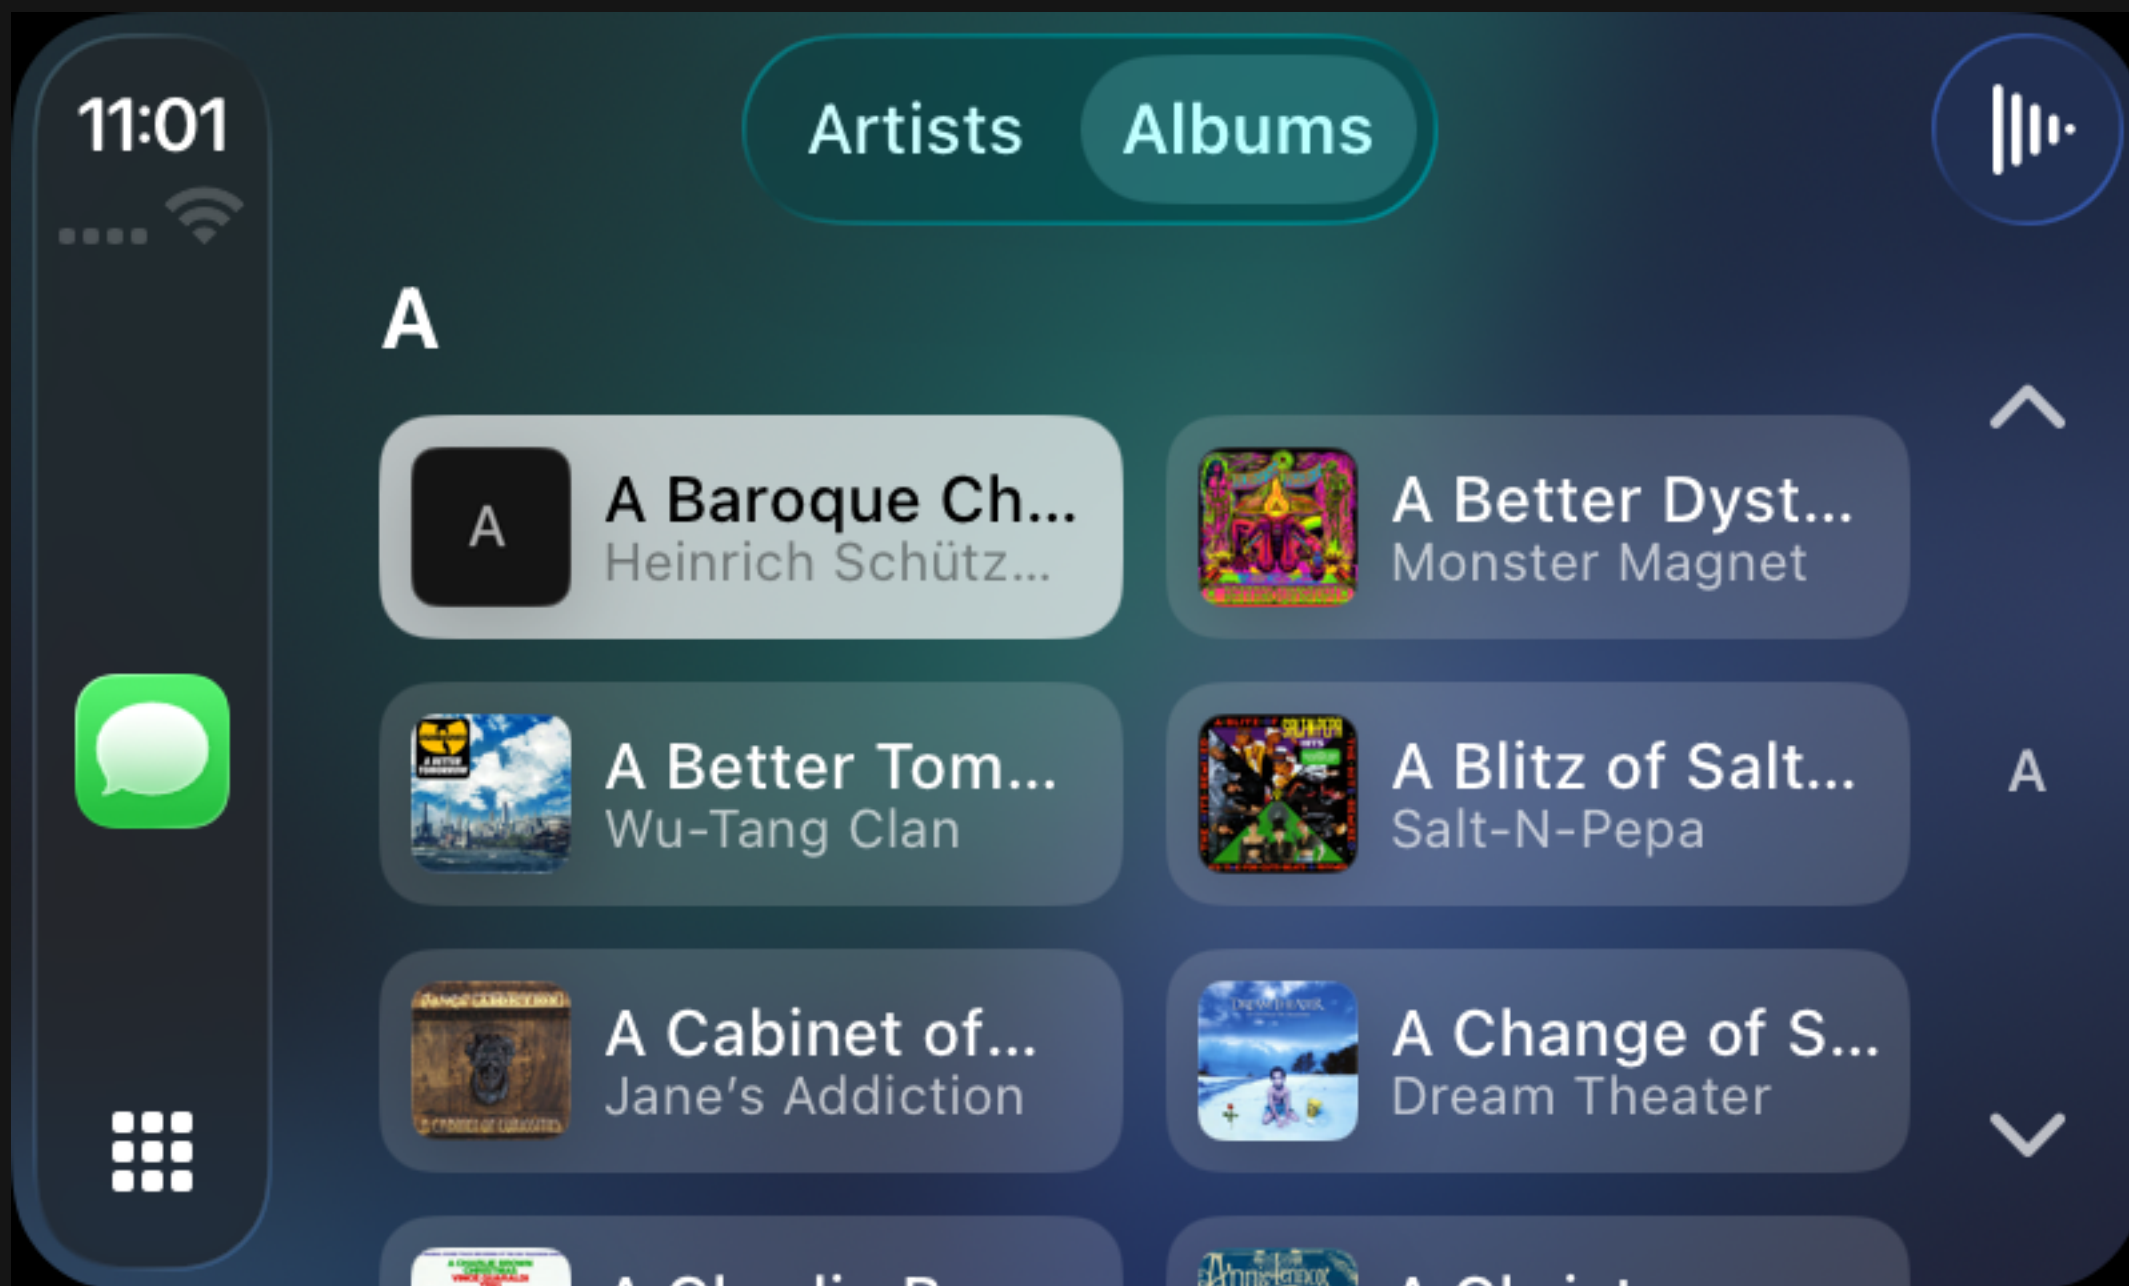

3 full rows + part of the next. Most room for album and artist names.

B Rows with a cover

3 full rows. Album and artist stay together; artwork reduces text width.

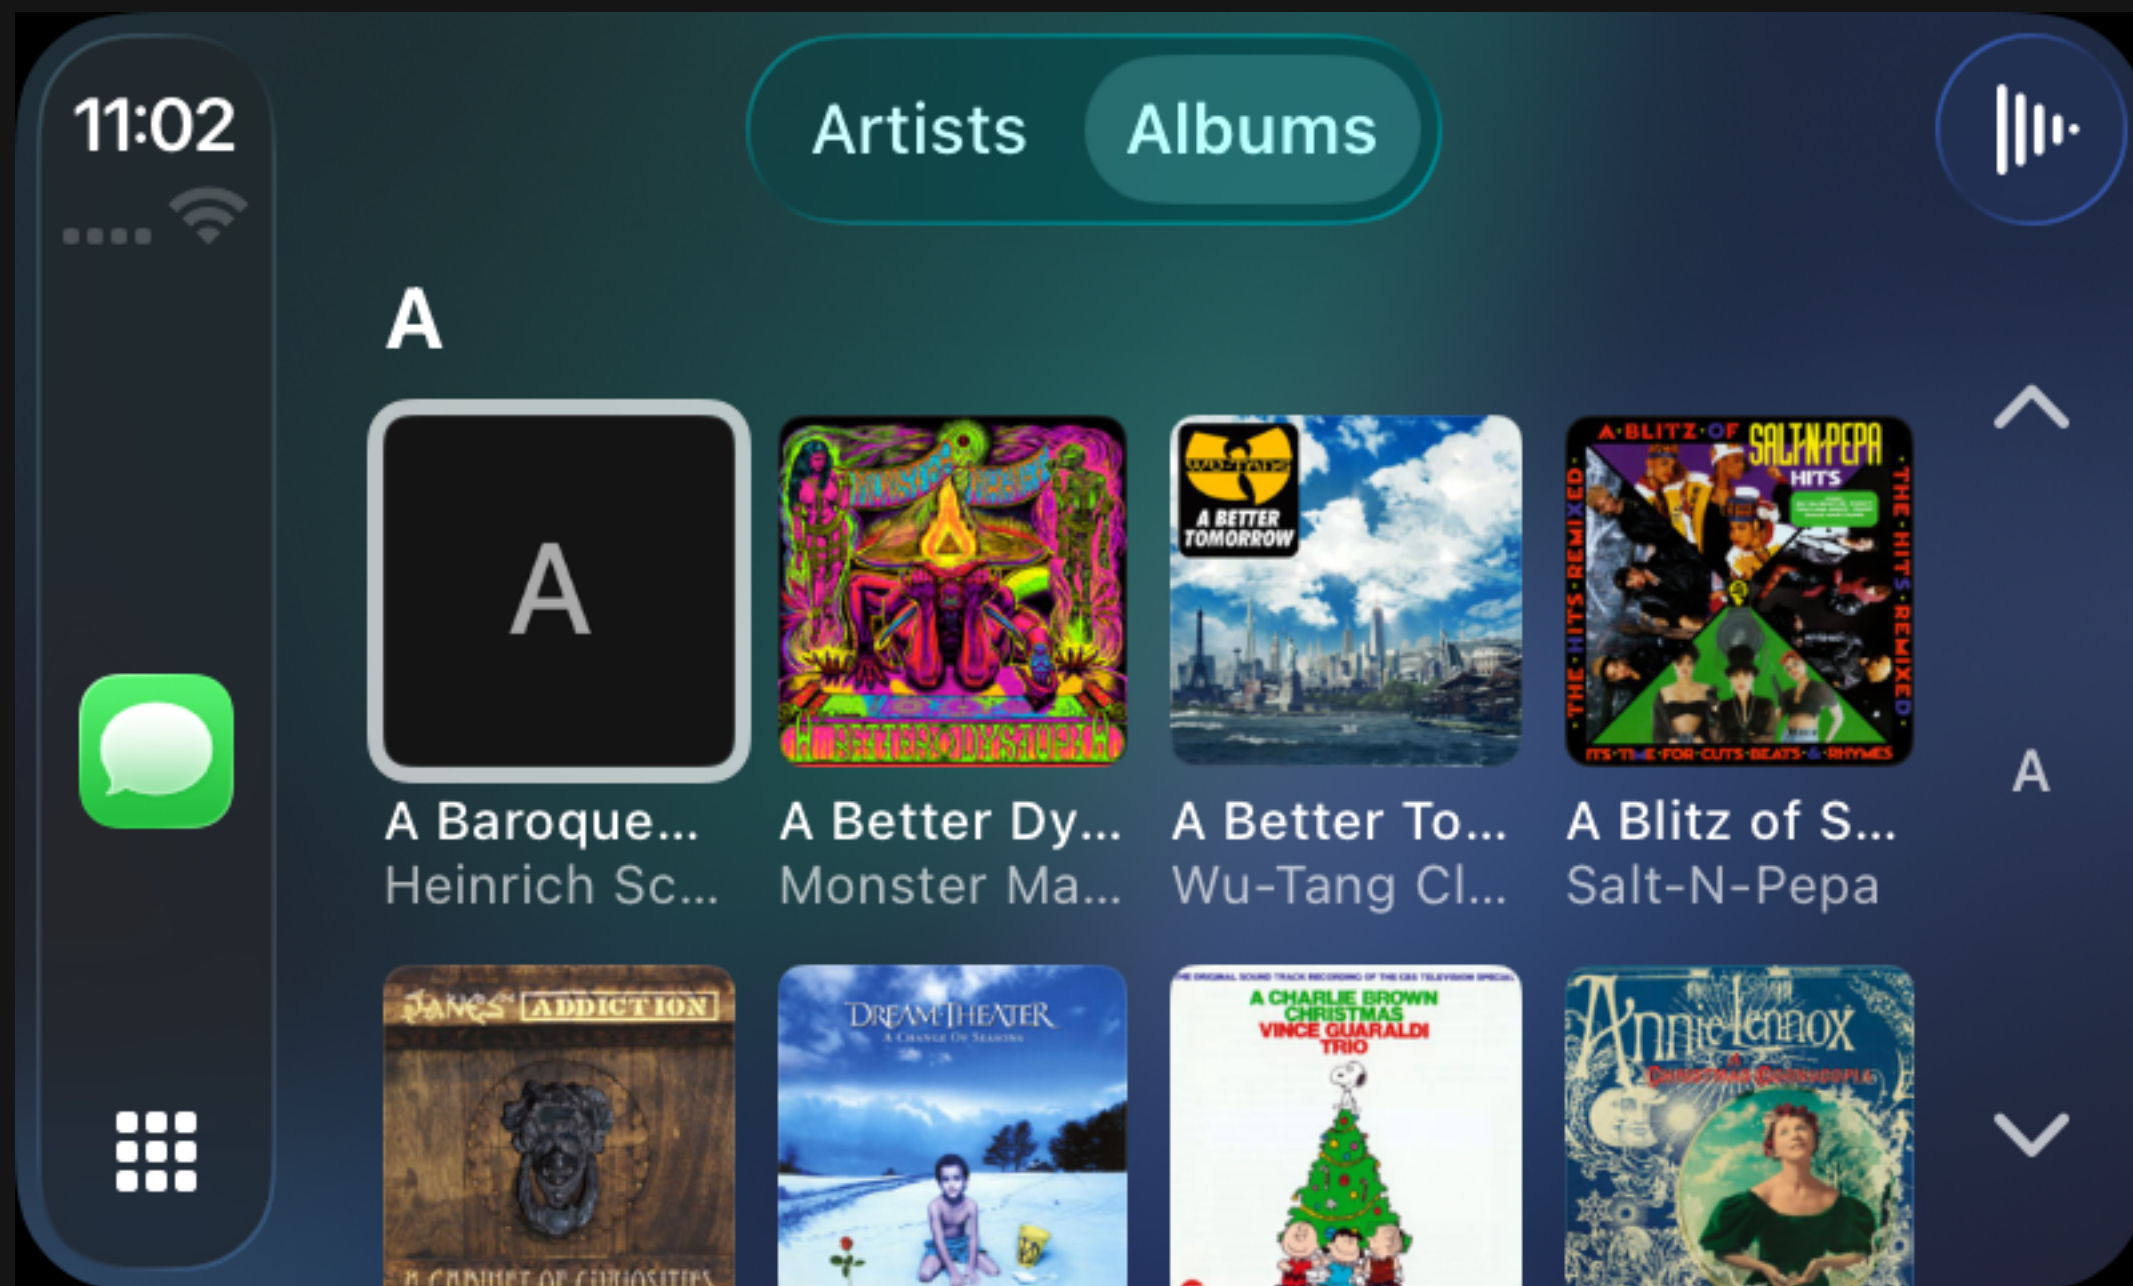

C Compact paired rows

6 full albums in two columns. Both labels, with frequent truncation.

CarPlay album layouts · native comparison · no selection

D Covers with captions

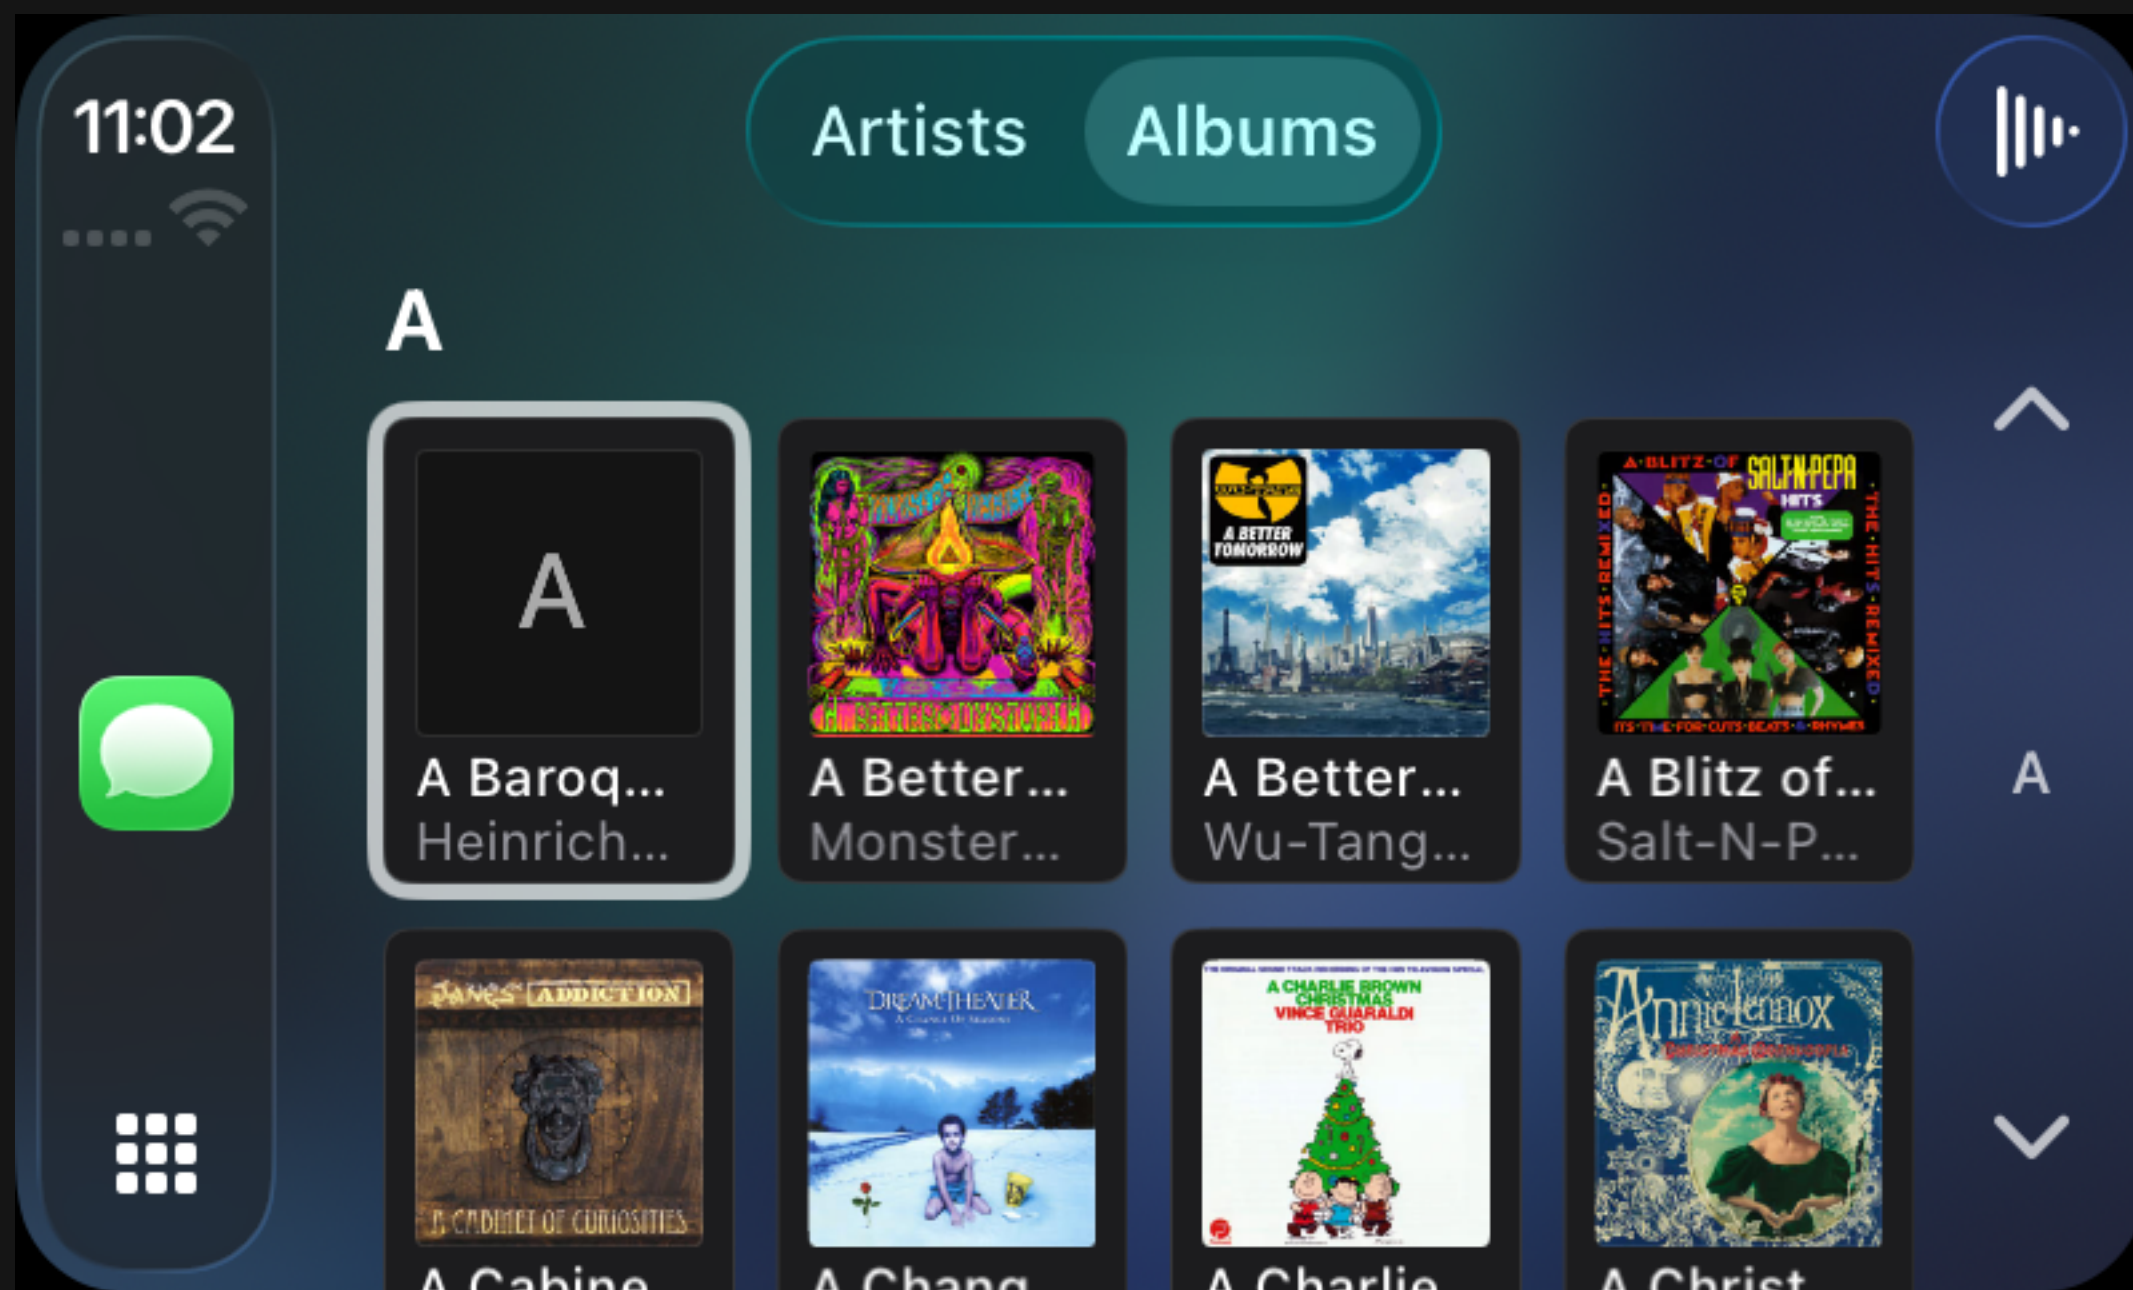

4 full albums + another artwork row. Title and artist below each cover.

Same 12 albums · 800 × 480 display · iOS 26 Simulator

G Covers only

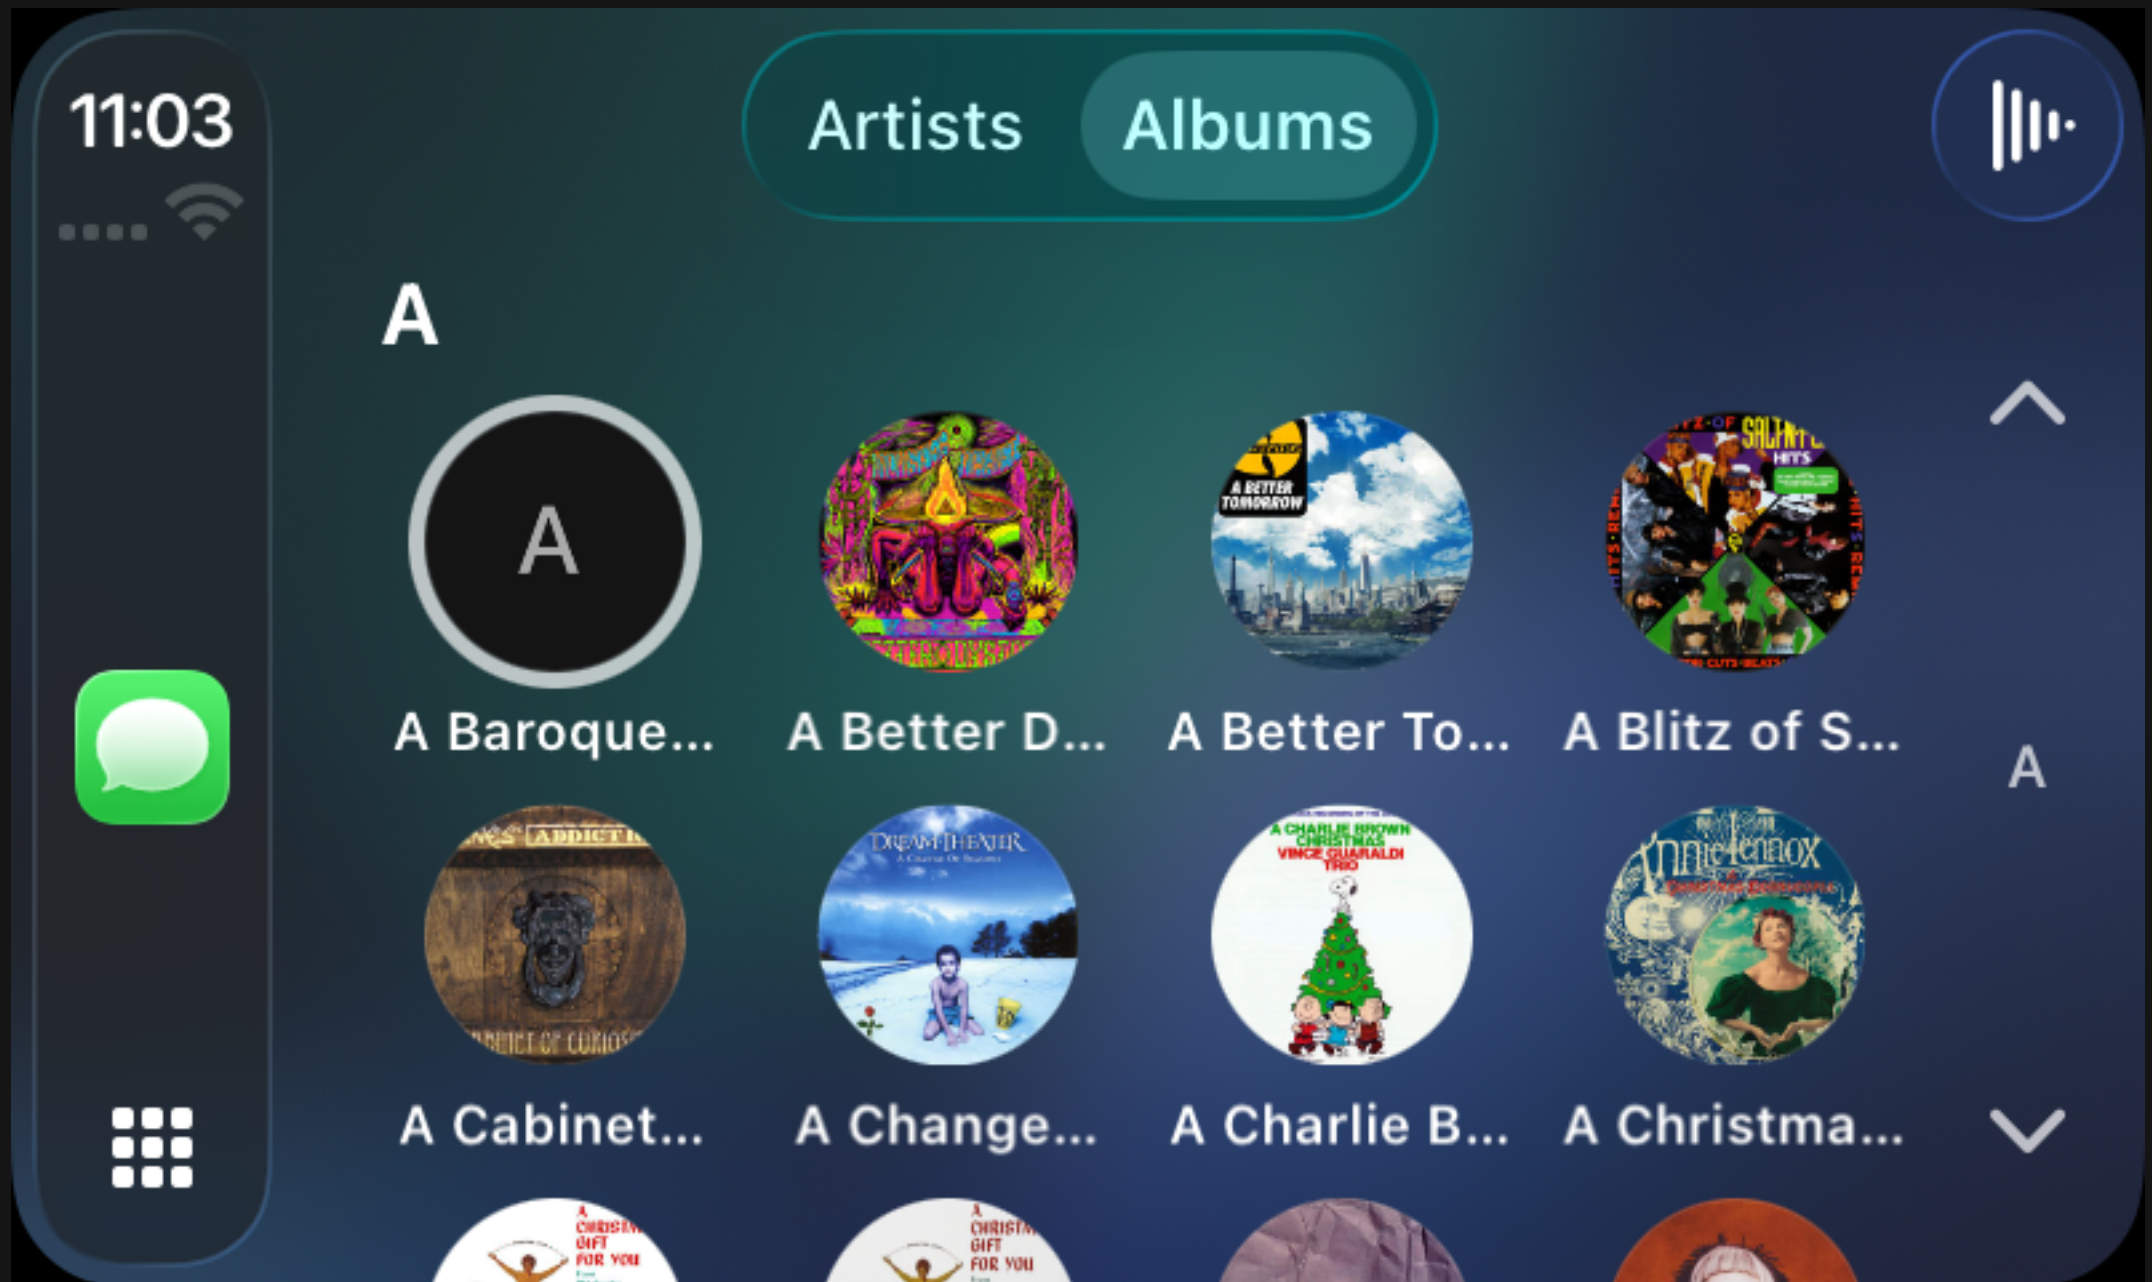

8 full covers. No album or artist labels; depends on recognizing the artwork.

Same 12 albums · 800 × 480 display · iOS 26 Simulator

CarPlay album layouts · native comparison · no selection

H Round covers + titles

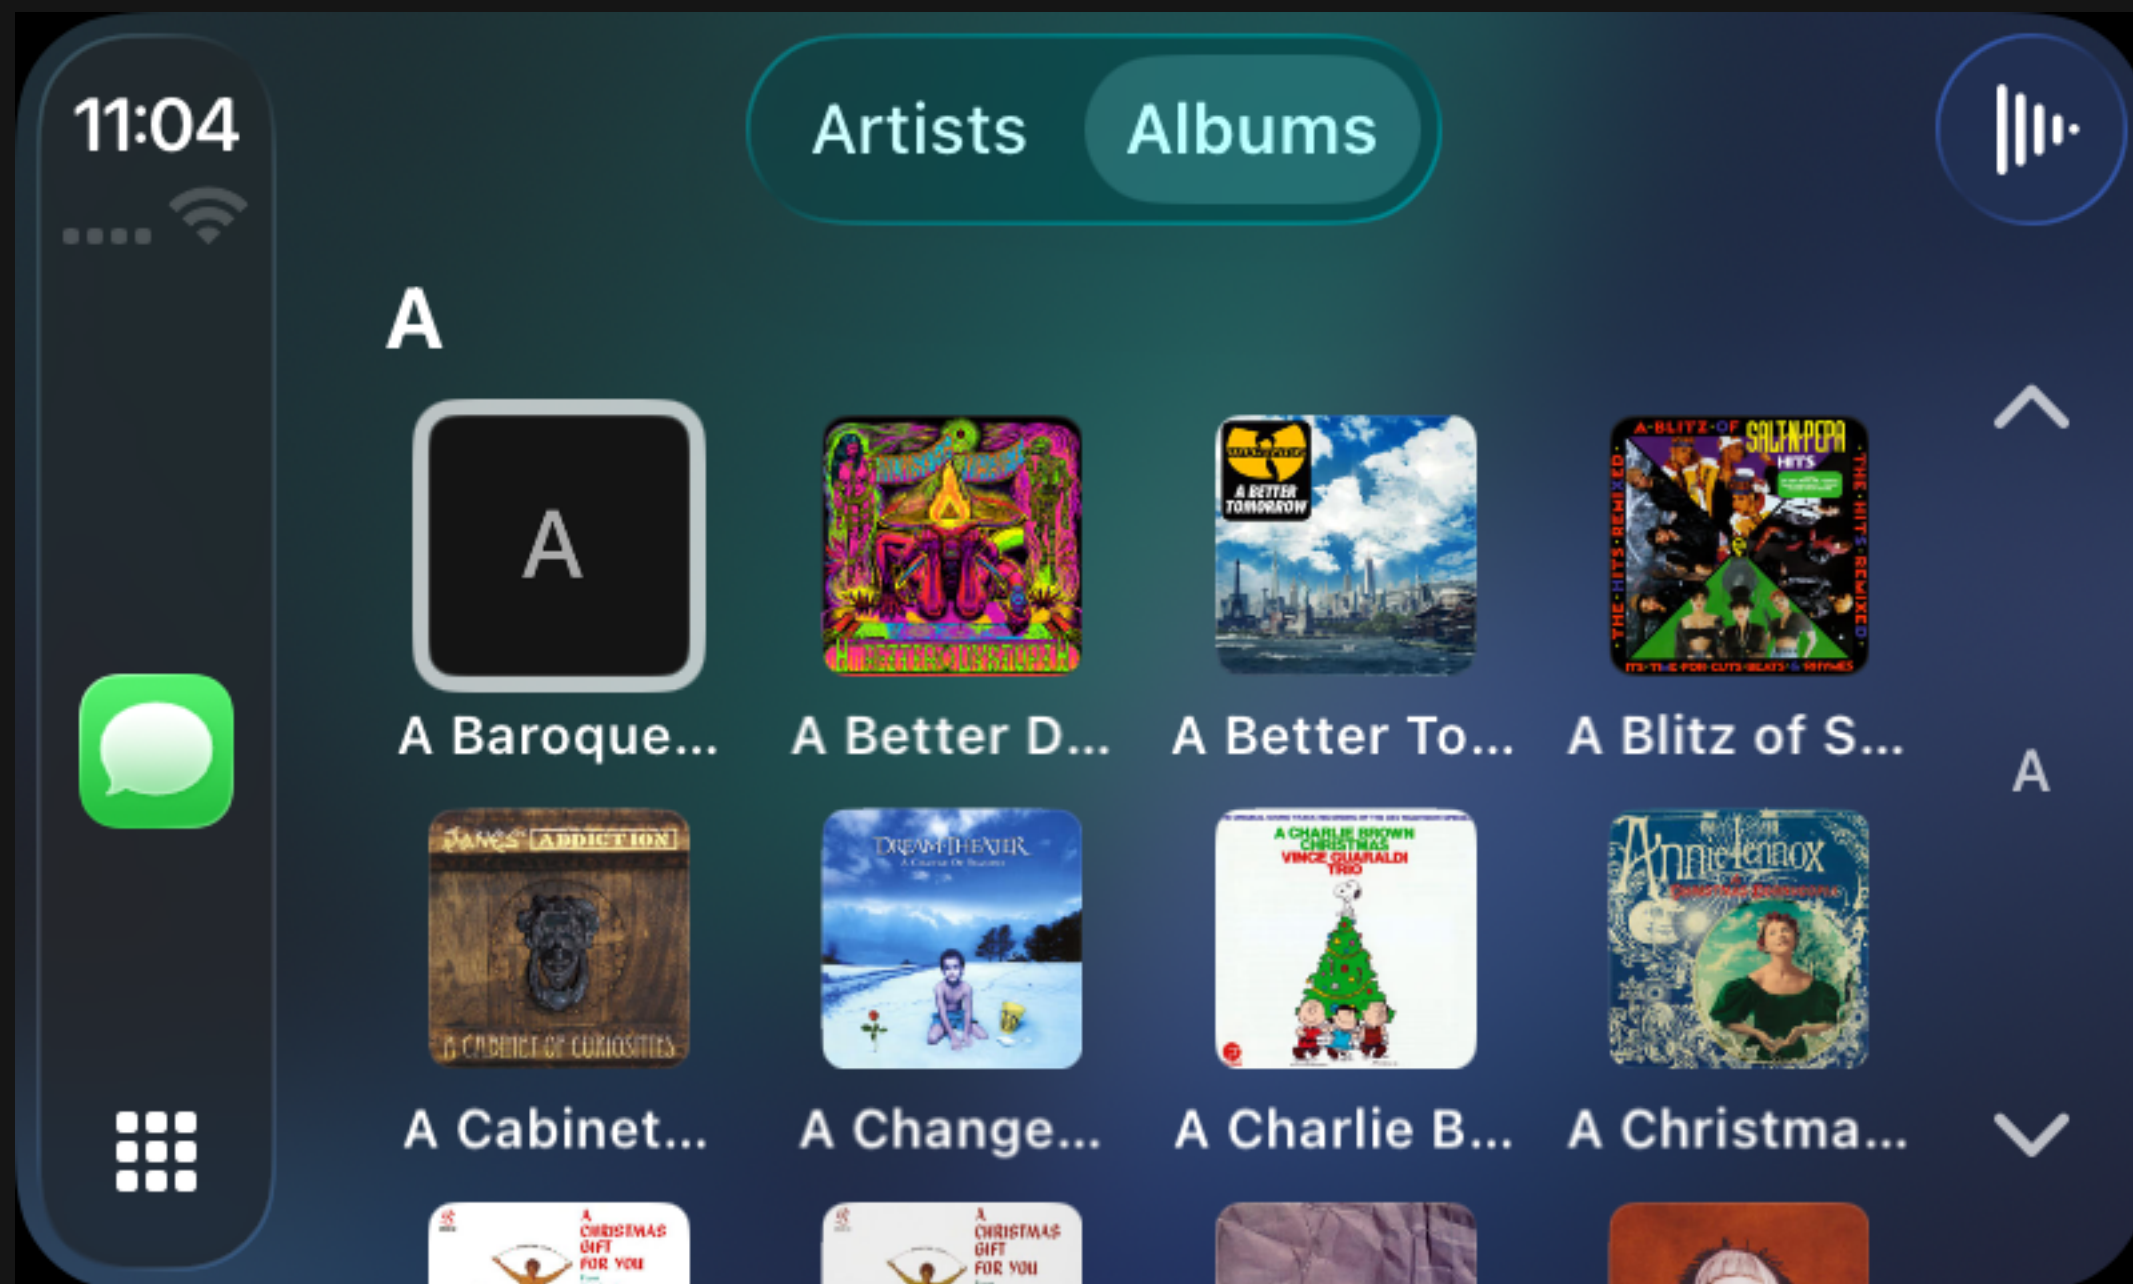

8 full albums. Title only; circular crops remove artwork corners.

Same 12 albums · 800 × 480 display · iOS 26 Simulator

CarPlay album layouts · native comparison · no selection

I Square covers + titles

8 full albums. Title only, with small covers and frequent truncation.

Same 12 albums · 800 × 480 display · iOS 26 Simulator
